German - Professional proficiency

Self-motivated & highly organized UI/UX & Visual Designer skilled at creating innovative design solutions that are original & clean. Formerly specialized in e-commerce & marketing, with 5+ years of experience that helped shape a pragmatic approach to work, & a clear communication style. Now seeks to leverage a unique combination of skills, experience & creativity in order to create meaningful products & brands that have a positive impact on people's lives.

PROFESSIONAL EXPERIENCE

Social Media & Community Manager *Asana Rebel, June 2019 – January 2020*

- Managed and developed the social media across various key platforms with the aim to position the brand as a reliable source for positive, informative & meaningful health & lifestyle content.
- Defined a strategy and content plan, created a memorable Tone of Voice, agile collaboration with the creative team to ideate & refine new ideas, consistently created original content & copy, implemented new processes & templates to improve efficiency and collaboration, carried out regular performance and competitive analysis, managed a community of +1M followers.
- Grew the online following and increased engagement by consistently offering original and valuable content, ultimately confirming the successful communication of the brand & product.

Assistant Buying Manager *Wayfair, January 2018 – December 2018*

- Managed the Upholstery Buying Team, overseeing all activities related to the success & growth of the category for EU markets.
- Managed & coached the Upholstery Buying Team, developed sustainable growth strategies, curated & managed the production of highly engaging 3D render imagery, conducted EU performance analysis & trend reports/forecasts, maintained & leveraged healthy relationships with 50+ clients, created standardised templates & communication tools, cross-functional collaboration with key internal stakeholders.
- Effected +110% YoY growth of EU Upholstery through negotiation of better terms with clients, improved offerings & communication of concepts & deals, resulting in an increased engagement and conversion rate.

Senior Buyer *Wayfair, July 2017 – December 2017*

- Supervised the advancement of multiple categories within the Furniture Buying Team.
- Curated and produced inspirational & highly successful campaign concepts, initiated & maintained regular Brainstorm Sessions within the team, negotiated optimum terms with 150+ clients, conducted selection gap analysis as well as trend analysis, curated product selection for 3D render environmental shots.
- Increased engagement & conversion rate for multiple categories within the Furniture Buying Team by improving product offering and communication of products/deals.

Buyer *Wayfair, August 2015 – June 2017*

- Contributed to the growth of multiple categories within the Furniture Buying Team.
- Curated and produced hundreds of campaign concepts, negotiated improved terms with 200+ clients, conducted competitive analysis for UK & DE markets, helped identify selection gaps.
- Increased conversion rate for multiple UK & DE categories within the Furniture Buying Team by delivering effective campaigns.
